Computer Basics (with Keyboarding)
Meant for those with little or no computer experience or familiarity with Microsoft Word. Class covers Internet Explorer, keyboard and mouse skills, clicking and scrolling, copying, moving and sorting files, creating folders, sizing windows, keyboard shortcuts, scroll bars, using a flash drive, naming, locating and deleting files, recovering documents, desktop shortcuts, and more. The last day focuses on improving keyboarding skills and typing efficiency and accuracy.

Microsoft Word
Basic knowledge of computers is required.
Attendees learn how to create, edit and save documents, as well as formatting, printing, copying and pasting. Also covered: headers and footers, spellchecking, and tables. Learn paragraph and tab settings, find/replace, bullets and numbers, subscripts and superscripts, autocorrect and WordArt.

Microsoft Excel
Basic knowledge of computers is required.
Attendees learn how to create, edit, save, and print spreadsheets. Learn key shortcuts, tips and hints. Instructor will cover basic formulas, as well as how to freeze and unfreeze panes, hide and un-hide columns, insert, rename and delete worksheets, sort and filter data, create custom headers and footers and work with comments.

Students are required to attend all sessions of a course. Please bring a flash drive to class. Space is limited – first come, first served. Classes are free for Women's Center clients. Registration fee for community members is $25.00 per course. Payment is due (cash or check made out to JFS) at time of registration. To register, please complete and return the following form with payment.
JFS Computer Class Registration

Name: ____________________________________________________________

Phone: __________________________ Email ____________________________

1. Computer Basics (begins 1/22/19). _________________________________
2. Microsoft Word (begins 2/19/19). _________________________________
3. Microsoft Excel (begins 3/5/19). _________________________________
4. Computer Basics (begins 3/19/19). _________________________________

Number selections in order of priority.

Please Note: JFS reserves the right to cancel courses at our discretion.
Participants who register for computer classes must comply with the following policies.
- Class participants need to arrive 10 minutes early and be prepared for class. Homework assignments must be completed prior to the next class, either at home or during open lab time at JFS.
- Participants must complete all sessions of a course. (If you do not complete the entire course, you will need to repeat the class before you can receive a certificate of completion.)
- Class participants must call JFS before class if planning to be absent or late.
- Students who register and do not show up for class will not be enrolled in future computer classes this year.
- Registrations will be confirmed approximately 1 week before the start date of the class.

I have read the above policies and understand that as a participant in JFS computer classes it is my responsibility to comply with these rules.
